

NISHA RAVALIYA

java developer

Ahmedabad | nisharavaliya2005@gmail.com | 83204 73982 | www.linkedin.com/in/nisharavaliya

SUMMARY

Hardworking and enthusiastic Java Developer with a solid foundation in core java, Object-oriented programming(OOP). Recently completed a degree in Computer Science and gained hands-on experience through projects and training. Proficient in java, with basic knowledge of JDBC, servlets and SQL. Strong problem-solving abilities, a collaborative mindset, and a quick learner of new technologies

WORK EXPERIENCE

java Developer Intern

Aug 2025 - Nov 2025

- Asisted in the development and maintenance of web-based applications using Core java and Servlets.
- Worked on database integration using MySQL, Performing CRUD operation and writing SQL queries. Used tools like Eclipse.
- Used IntelliJ IDEA for development and debugging.
- Designed RESTful APIs and tested them using Postman.
- Handled backend logic, service layers, and API integrations in Spring Boot.
- Worked with MySQL and SQL Server Management Studio for database operations.
- Wrote SQL queries, managed tables, and handled data migrations.
-

project I. Vanish Chat

Sep 2022 - present

- Designed and developed a secure, real-time chat application for business users where all messages automatically disappear after a limited time, ensuring confidentiality and temporary data retention. The application restricts access only to verified business accounts, enhancing security and relevance. Backend is built using Spring Boot with REST APIs and WebSocket for real-time communication, while the frontend is implemented using HTML, CSS, and JavaScript for a responsive and interactive user experience.

EDUCATION

Bachelor of Computer Application

Jun 2025 - Jun 2027

Mangalayatan University , Aligadh

Bachelor of Computer Application

May 2022 - May 2025

Bhakta Kavi Narsinh Mehta University , Junagadh

- SGPA: 9.17

Hard Skill

Java Programming

Object Oriented Programming(**OOP**)

Development(**IntelliJ, Eclipse**)

Framework(**Spring Boot**)

Database Engineer(**MYSQL, MongoDB(Beginner)**)

Version Control System(**Git**)

Web Technologies (**HTML, CSS, JavaScript**)

Soft Skill

Management Skills

Problem -Skill

Communication

Time Management
